Winter Wonderland

Winter has set in and the new year is around the corner. Flying has slowed and many of the planes are sound asleep in their hangars. The planes may not be busy but many of their pilots are and they came to the API Christmas party.

Gwen's Restaurant had a very good meal at a very reasonable price. Paul Elmegreen, Don Runyon and Dave Kramer donated the door prizes.

Pilot Thoughts

It's not that all airplane pilots are good-looking. Just that good-looking people seem more capable of flying airplanes, or so seasoned observers contend. A matter of self-confidence? No doubt, no doubt.

Son, you're going to have to make up your mind about growing up and becoming a pilot. You can't do both.

The Thunderbirds will be flying in Waterloo August 27 & 28. More information later.
