## Associated Pilots of Iowa Donate to AOPA Safety Institute

Dave Kramer and Chuck Wehage, Presidents of the Monticello and Cedar Valley Chapters, present Cindy Carter of AOPA Safety Institute, a check in support of their efforts to keep flying and pilots safe. The presentation was at the safety meeting in Cedar Rapids on March 8.

New API shirts are available. Dave Kramer will be at the next meetings if you would like to purchase one. They are \$24.00 and come in Med, Large and X Large.

Following next month meetings, they will be available at the Monticello Airport.

The emblem is the original API emblem with the wings, a form of the state of Iowa in the center with "Associated Pilots of Iowa" around the form. All shirts have pockets.

### Pilot Thoughts

Forget all that stuff about lift, gravity, thrust and drag. An airplane flies because of money. If God had meant man to fly, He'd have given him more money.

You define a good flight by negatives: you didn't get hijacked, you didn't crash, you didn't throw up, you weren't late, you weren't nauseated by the food. So you're grateful.
